Polar white

Firmament silver

Intelligent science and technology configuration, granting driving with infinite pleasure

Intelligent driving computer, Electronic switch of 4-drive ,GPS and Beidou dual-mode navigation system, Hand phone interconnection, Wireless WIFI, 4G communication, Integrated multifunctional steering wheel, which greatly improve the travel convenience.

High safety configuration to ensure a reassuring driving

Reliable electronic ABS+EBD, Enlarged front disk, Rear drum brake and precise pinion-and-rack steering system, ensure the vehicle running stability and safety efficiently, and shorten the braking distance, avoid skidding and drifting; Air bag at both driver's seat and passenger's seat have passed the 50Km/h frontal crash regulation testing in one time. And the anti-fatigue driving warning, TPMS, visual reversing imaging and right blind area visual system, ensure better safety and security.

Roomy, comfortable and convenient driving space

Eyeglass case at the top,  
Left/right cosmetic mirror

Plenty of storage spaces,  
Upper/lower litter bin.

Add: 12/F., San Toi Building,137-139 Connaught Road Central,Hong Kong.
